 - Typically, florists are permitted access to the church one hour before the wedding, unless otherwise arranged and agreed upon in advance by a church wedding coordinator.
- ❖ Unity Candle—*and two become ONE!*
 - If selected as part of the wedding ceremony, it is the responsibility of the bride and groom to provide the Unity Candle and the accompanying side candles.
 - You can chose to use your own candleholders or the church does have a set to use on the day of the wedding—please let us know your preference.
 - If using, bring the Unity Candles, side candles and holders with you during the rehearsal so they can be set up for the Wedding.
- ❖ Wedding Programs—It is the responsibility of the bride & groom to provide a wedding program for the service, if desired.
- ❖ It is the responsibility of the Bride and Groom to convey the policies of Holy Trinity to all outside parties and vendors.
- ❖ “All the Frills”—We understand that a wedding is an exciting time with tons of planning and tradition—“the” gown, bridesmaids dresses, tuxes, flowers, photos, family & friends, the reception, etc... **Please remember that the true meaning of the wedding day is to celebrate the holy union of the Bride and the Groom.**

We appreciate your cooperation in regards to the above policies.

Thank You.
